

ROEDEAN

MOIRA HOUSE

7th March 2018

Dear Parent,

I wanted to thank you for your continued support of Roedean Moira House during this time of transition. I know that the Head of School and Executive Head have kept you informed about our plans for the future and the substantial progress that has been made by the staff at the School over the last few months. It is really exciting to see how advanced we already are with planning for the redevelopment of the site and the staffing and organisation of the School.

At the Governing Body meeting on 26th February 2018, after a careful consideration of the future of the School, Governors made the decision to appoint a Principal for the formal launch of Roedean Moira House in September 2018.

Governors felt strongly that the traditional and historical position of a Principal at Roedean Moira House would enable the School to continue to grow and develop in its own right and would also present a well-established and clear leadership structure for parents, staff and girls. The Head of School role will continue with whole school responsibilities as well as a focus on the Senior School.

The Governors have decided to appoint from within the Roedean Group of Schools, in the first instance, so the position will be advertised to staff at Roedean Moira House and Roedean.

In addition, Governors have approved proposals to appoint a Bursar to oversee financial and operational matters and a Head of Junior School to lead the Junior School. There will also be an additional Assistant Head, Pastoral role to oversee Senior School pastoral issues.

Governors have been very impressed with the progress made by the leadership team and offer our congratulations to them and all the staff for their commitment and dedication. The appointment of a Principal position, with the support and oversight of the Executive Head and the Senior Team, will enable the School to build on all the good work taking place.

Once again, I would like to thank your good will and support since Moira House joined the Roedean Group of Schools. Your help is invaluable in ensuring a strong future for the School.

Best wishes,

Andrew Pianca
Chair of Governors
