DRESS CODE

To reflect their senior role, Sixth Form pupils have some choice and flexibility with their dress code while retaining a smart and professional appearance. Sixth Formers wear an un-crested, hunting style version of the tweed jacket available only from the uniform outfitter Schoolblazer. The jacket can be worn with a choice of tailored trousers, skirt or dress in navy blue or black and a plain blouse or smart sweater. Some of these items can be purchased independently or obtained from Schoolblazer. For formal occasions, the Sixth Form will be required to wear a white, button up, collared blouse with the other tailored skirt or trousers.

We will be expecting our Sixth Formers to set a high standard of appearance and as such will not be accepting casual wear such as jeans, leggings or trainers as part of the dress code. Skirts and dresses must be worn on the knee and shoes of a formal style.

Specific requirements:

Trousers/Skirts/Dresses: A classically cut black, or navy blue skirt, dress or trouser. Trousers should be full length. Denims and leggings are not permitted. Skirts and dresses should be approximately knee length. The tweed jacket should be worn at all times in and around school.

Blouses: Shirts or blouses should be in a business style. These should be tucked in or cover the upper part of the trouser/skirt. Logos or slogans are not permitted. A white blouse is required for formal occasions.

Jumpers: A V-neck jumper or waistcoat that complements the shirt/blouse.

Shoes/Boots: Polished or suede of a conventional style. Heels should be no more than 2 inches high. Stiletto heels are not permitted. Ugg boots are not permitted.

Tights/ Socks: Single colour tights, or socks.

Hair: Hair must be tidy and its length and style should be acceptable to the Head of Sixth Form. Long hair should be tied back for appropriate lessons. Any hair colouring should be discreet and 'natural'.

Make-up and Jewellery: Make-up and jewellery should be discreet and minimal. Multiple earrings, face piercings and body piercings are not permitted. Tattoos are not permitted.

Hats: Hats and scarves should not be worn in the school buildings.

If you are studying Science, you must have a lab coat to protect your clothes.

All Years

JEWELLERY AND HAIR

The wearing of jewellery (does not include Medi-alert bracelets and necklaces) is not permitted during the working school day except for a small necklace (only with a religious symbol) and a single pair of stud earrings at the same level in each ear. In view of the safety factor, together with the ethos of the school, only the single piercing of ears is acceptable. No facial piercings are permitted. If a pupil has a stud or sleeper elsewhere, it should be removed before arrival at school. All jewellery should be removed for PE.

Tattoos are not permitted.

Coloured nail varnish and false nails are not allowed. Dyed hair must be a “natural” colour and long hair should be tied back off the face during the working school day.

Year 11 to Year 13 (including Pre A Level pupils) may wear discreet make-up and natural nail polish.
